Sometimes

not often enough

We reflect upon the good things.

And. . .

Our thoughts always center around those we love.

We think about those people

Who mean so much to us;

Who for so many years have made us

So very Happy

And we count the times we have forgotten

to say. . .

Thank You

And just how much

We Love Them

Leisurely, the river's flow
 pauses abreast the realms of remembrance.
A tender heart, a responsive smile
 spring to life among forsaken breakers
 as a tear tumbles into retrospect.
As ideas of bygone mingle anew,
 and create a somber stillness
 amidst the delights and hurts of life,
I recall an image — Veronica.
Sadness — questions — calmness. . .
 and I remember.

A river's flow is likened unto life.
Never ceasing, it passes from

In like manner,

Our lives flow onward.

Years spent in

become

but one more

the passage to

our purpose.

We
wander
aimlessly —

searching . . .

Dreams and wishes
are dashed upon rocks,

SOPHOMORES

yet —

we
continue
onward.

The storms
—
subside —

a clearer course emerges.

A gentle current

ushers us

through tranquil waters.

An ultimate decision becomes conceivable —

our final port appears.

Time is a sort of river of passing events,
and strong is its current;
no sooner is a thing brought to sight
than it is swept by
and another takes its place
And this too will be swept away.

. . . LOVE

STUDENT LIFE

PRESIDENT - Frank Zarro

VICE PRESIDENT - Arlene Flaherty

Student Government

TREASURER - Mary Deremeik

MODERATOR - Sophie Welisch

Dominican College's Student Government channeled their interests and energies into a variety of new projects this year. Fall, 1972 saw the completion of an Improvements Program and initiation of the New Vision Lecture Series. Other accomplishments included initial passage of a new Constitution, reorganization of faculty committees, a student insurance plan, coffee houses and movie programs.

Halloween Party

Ghosts, goblins, blobs and other creatures crept through the halls of the college for the Halloween Party, 1972. The highlight of the evening appeared in the form of a coffin containing the remains of the Honorable Frankenstein who was once again united with his equally famous comrade, Count Dracula of Transylvania.

Around the Campus

Various students who attained Academic achievement during the year 1971-72, were honored in a formal assembly held on November 19th. Academic Dean, Sr. Kathleen Sullivan, awarded the symbols of achievement; honors at entrance and white, red and gold tassels to those present. Joanne Schultz and Joan Deltoro, recipients of the gold tassel denoting three successive years on the Dean's List, served as Master of Ceremonies and keynote speaker respectfully. This student involvement marked a first in the history of Honor's Convocations at Dominican College - a tradition which will hopefully be continued.

Honors Convocation

Faculty and students joined together in the festivities of the Christmas season as the Christmas celebration was held for the enjoyment of a packed house in the Student Center. The chorus set the musical score for the party by performing seasonal ballads. At a later point, a new talent was discovered in Dominican College as Michael Stocks launched his stage career as "The Littlest Angel." Arlene Flaherty narrated.

Christmas Party

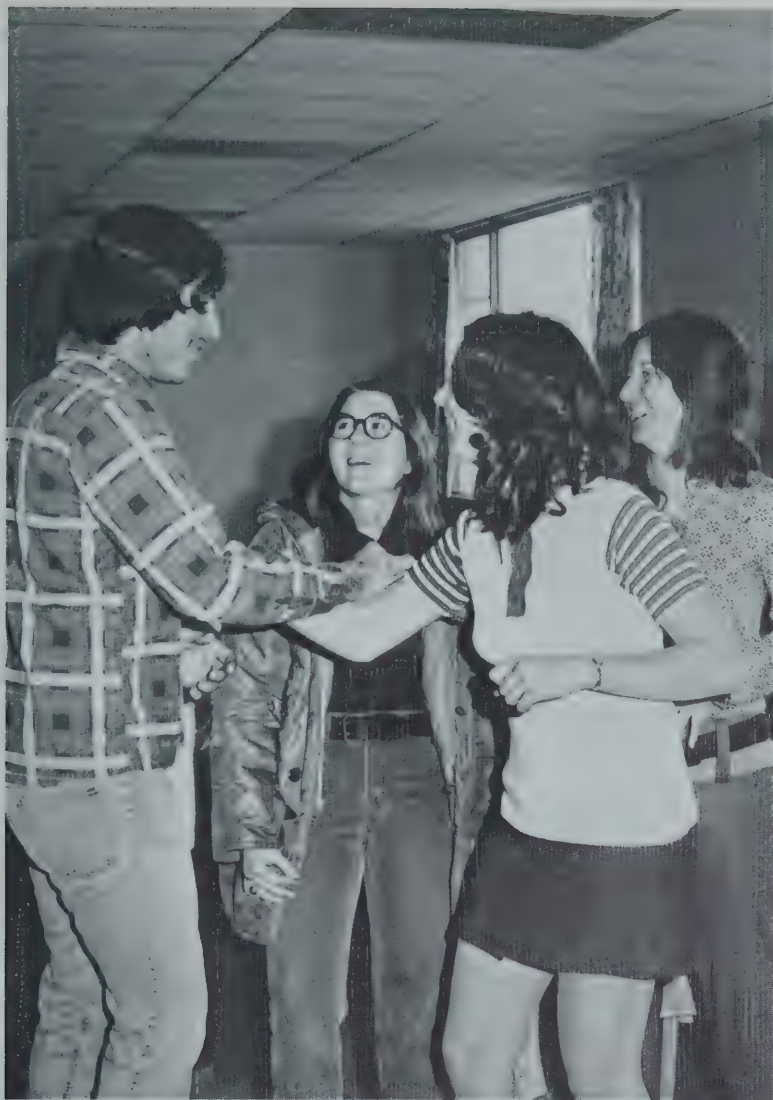

Alpha

A. McNally, F. Fornario, B. Petrie, M. O'Connor, M. Frisaro, K. Menendez, A. McLellan, K. Donohue, P. Harkins.

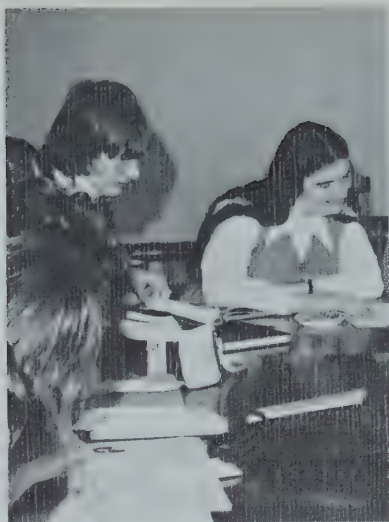

Alpha was an organization formed in the Fall of 1972 by a group of concerned Dominican College students for the purpose of providing religious and moral instruction, and social activity for children from the county. Under this program, each child is instructed by his own volunteer. Alpha is moderated by Sr. Tina Marie Stocks.

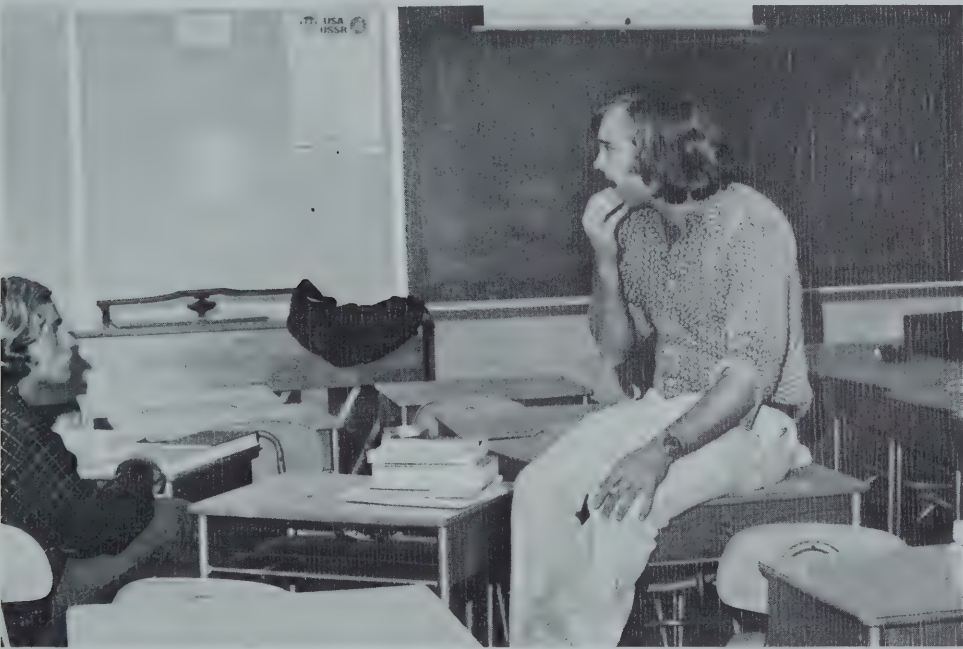

President's Reception

Members of the student body, faculty and Board of Trustees attended the annual reception given by Sr. Natalie Casey, Dominican College's President, held on Dec. 13th. Musical entertainment for the reception was provided by Jeremy Mahood. At this time, Mr. Michael Fury, Chairman of the Board of Trustees, presented Sr. M. Clarissa Doyle with a commemorative plaque for her dedication to the community.

AUBADE '73 got underway during the summer months of 1972. The staff, under the direction of Sr. Barbara Werner, moderator, and editor, Joan Deltoro, donated many hours of their time to produce a memory of Dominican College, as we saw it, 1972-73. With the aid of our super photographer, Enrique Crespo Jr., choice moments have been recorded within these pages.

Under the direction of Mr. C. James Hughes, a restructured chorus began practice in early Fall, 1972. During this semester the Dominican College Mixed Chorus provided entertainment at such official functions as Freshman Investiture and the Christmas Party. The highlight of the Spring agenda will occur on May 22nd - the day of graduation.

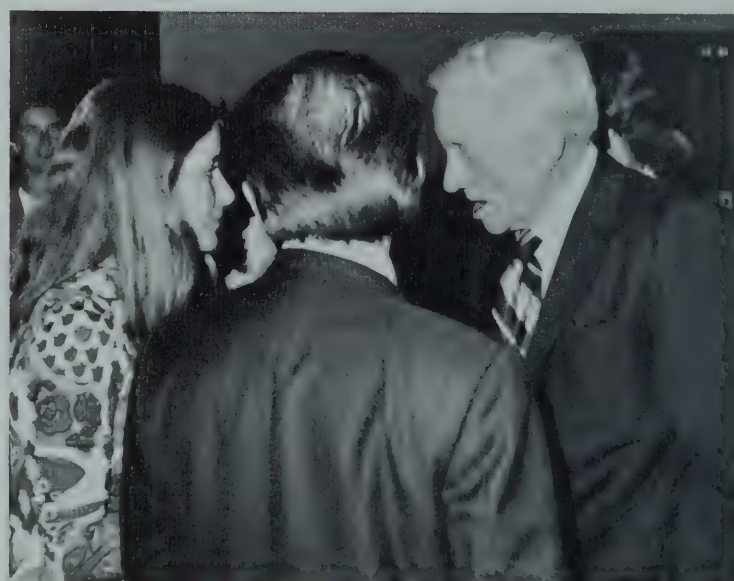

DOMINICAN COLLEGE CHORUS

NEW VISION LECTURE SERIES

Dominican College's New Vision Lecture Series was launched in October, 1972, with speeches by the Honorable John Tunney, U.S. Senator (D-Calif.), and the U.S. Supreme Court Justice, the Honorable William O. Douglas. These gentlemen spoke to the college and the community in the Tappan Zee High School Auditorium. The New Vision Lecture Series was conceived by the Student Government as a service for the general public.

VARIETY SHOW

The third annual spring concert, held for the benefit of the campus building fund, invaded Dominican one crisp March day. Various students combined their multi-talents to present an assortment of entertainment-ranging from a visit by Archie and Edith, to selected vocalizations and on to Charlie Brown and associates. This event will long be remembered.

In the sea, there beats the pulse of life
Through ebb and flow of wave and tide . . .
In the sea, the earth finds voice.

The role of a faculty member as we see it
does not merely exist as that of teacher.

He fulfills a much
broader function
as an educator,

advisor,

and moderator.

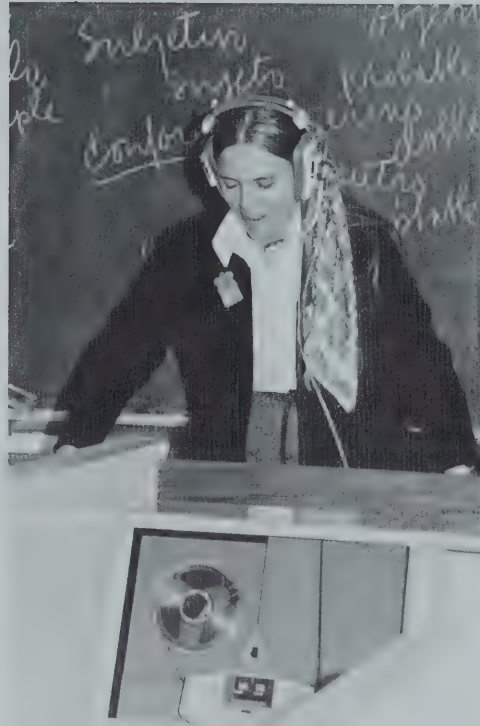

As such,
he endlessly channels energies
into committee work,

social activities

and more enriching
classroom experiences.

Yet, surpassing all of these roles he is,

above all,
A
FRIEND.

The wind will blow away the foam.
But . . .
the sea and the shore will
remain forever.

TO THE GRADUATES OF 1973,

Our wish and prayer for your individual and lasting success:

To laugh often and much

To win the respect of intelligent people

and the affection of children

To earn the appreciation of honest critics

and endure the betrayal of false friends

To appreciate beauty

To find the best in others

To leave the world a little bit better

whether by a healthy child

a garden patch

or a redeemed social condition

To know that even one life has breathed easier

because you lived

This is to have succeeded.
